

**CITY OF LAGUNA NIGUEL
MEMBER OF THE CITY COUNCIL**

GLENN AGA

AGE: 35

OCCUPATION: Small Business Owner

My name is Glenn Aga, and I'm running for Laguna Niguel City Council.

I will bring fresh perspectives to the Council, representing everyone in our city.

As a new father, I want for my daughter what all parents want: A family-friendly environment in which to raise children. I'll work to maintain our property values, and keep our streets safe and our drinking water clean. I'll be a champion for community programs, including youth sports and programs for our senior population.

As a small business owner, I know it's important to preserve the business-friendly climate of Laguna Niguel. I will help improve that climate to make starting and running a successful small business easier.

As an Air Force officer, I was awarded numerous medals and citations, including two Defense Meritorious Service Medals. However, I will measure my success on the Council not by individual achievement but by the Council's achievements on behalf of our residents.

Four years from now, my wife Tina and I will be getting our daughter Alexandra ready to start kindergarten. If you elect me to the Council, I'll spend those four years helping make Laguna Niguel an even more desirable place to live than it is today.
